

ASTAR (Alateen Sponsor Training and Recovery) Weekend has ten and a half scholarships available.

When a district or individual(s) submits two registrations, the second registration will be honored at ½ price!

So you mean if my friend Liz and I submit our forms together it will cost us \$195 rather than \$260?

ABSOLUTELY

And what if our district wants to pay for two right now but doesn't know who we are assigning it to?

Still Eligible!

Please bring your registrations to AWSC and the first 10 sets will receive the discount. If more than 10 sets are brought to AWSC, they will be accepted. Additional submissions will be placed on a waitlist until we raise addition funds to cover the ½ scholarship! Please, contact Beth C. at bethwaat@gmail.com or 206-250-9559 with any questions.
