**Beginner meetings** are open to anyone whose life has been affected by another's drinking. They are a safe, confidential setting for sharing your concerns and getting your questions answered about what Al-Anon and Alateen can do for you.

**Open Al-Anon meetings** allow attendance by people who are not families and friends of alcoholics, but who are interested in learning about Al-Anon Family Groups. People who may come to open Al-Anon meetings occasionally include students and professionals who work with alcoholics and their families.

Generally, Al-Anon group meetings are "closed," limited to members and prospective members, giving them the freedom to share and listen to the experience, strength, and hope of one another on a confidential and anonymous basis.
