

Still a few service opportunities still available!

Volunteering for a shift at the fair is a fun and rewarding way to carry the Al-Anon message to others (Step 12). The shifts are 3 hours and you will need to answer a few basic questions explaining what Al-Anon is and hand out some of our literature. The rest of the day is open for your enjoyment of the fair. Don't delay, grab a friend and volunteer today.

For your 3 hour service commitment you will receive:

1. The Satisfaction of doing important Al-Anon service.
2. Free all day entry pass to the fair.
3. Free parking
